### **GREASE EATER II**

#### **NATURAL ORANGE CLEANER, DEGREASER & DEODORIZER DRAIN MAINTAINER**

This blend of natural orange oil solvents is a completely new method of cleaning and degreasing. Grease Eater II is an amazing all natural citrus extract solvent degreaser deodorizer which is designed for a multitude of industrial and institutional cleaning, degreasing and deodorizing applications.

Micro-micellular technology is used to blend Dextro-limonene and other premium citrus extracts with mixed ionic emulsifiers to yield a product with the highest theoretical cleaning ability and maximum emulsification properties. It contains no petroleum distillates, organic halides or any other hazardous ingredients according to OSHA REGULATIONS (24 CFR, SEC 1900, 1200).

Grease Eater II is noncorrosive and safe for all metal surfaces. It may be used on any type of ferrous or non-ferrous metals including aluminum, copper, and brass. It cuts grease, tar, mastic, and dirt like magic, without hazardous or unpleasant fumes. It is biodegradable and safe to work with. The natural orange aroma destroys odors and leaves a fresh, orange scent.

#### **BENEFITS**

- **SUPER SOLVENT ACTION**
- **ENVIRONMENTALLY SAFE**
- **BIODEGRADABLE**
- **NO PETROLEUM DISTILLATES**
- **NO HARMFUL FUMES**
- **FRESH ORANGE AROMA**
- **NON-ACID**
